SIAC rentable card

With the generous support of SportIdent, it is possible for us to provide SIAC rentable cards for all participants at both events.

Note to the runners:

The SIAC rentable card is delivered without elastic bands for hygienic reasons. The elastic band for attaching the SIAC chip to the finger must be purchased from the participant itself. For this purpose, the elastic band from your own SI card can be used, but must be mounted by yourself.

Registration:

The order for a SIAC rental chip is only possible before the competition until 11.09.2017. No other SIAC chips will be issued for rental on the competition days.

If a rental chip is required, this must be specified when registering. For the Austrians, the text "SIAC" should be mentioned in the comment of the ANNE registration system for both events. (Further remarks can be added after the abbreviation "SIAC"). If no loan chip is needed, no further steps are necessary.

For international registrations via the OrienteeringOnline booking system, the "Rent SIAC" option must be ticked at the time of registration.

The output of the SIAC lending chips is given to a club representative from each club which must be determined by the club and is also responsible for returning the SIAC cards collected at the end of the second competition day. (Even if not all SIAC cards are needed on both days, they must be returned collected on the second day.) The issue is only after signing of a liability transfer, which means that if the SIAC chip is lost or damaged, the liability in the Amount of the sale price of € 66, - per chip.

Apart from the assumption of liability, no lending fees or deposits are required for the SIAC rental cards.
